

For Immediate Release

May 15, 2009

Georgetown, Grand Cayman – USA Risk Group is pleased to announce the appointment of Paul Macey as President of USA Risk Group (Cayman), Ltd. effective June 1, 2009. He will continue to be responsible for managing the Cayman office and dealing with all insurance related activities, working closely with Rob Leadbetter and Gillian Owen on the day to day management of all Cayman clients. Paul joined USA Risk Group in late 2005 as Senior Vice President of USA Risk Group (Cayman), Ltd., and has over 18 years of experience in the insurance industry, most recently as Partner and Insurance Manager of JLT Risk Solutions (Cayman), Limited. In this position, Paul was responsible for insurance related activities of client companies, including brokerage, insurance technical support and program design. Paul is British and holds the Associate of the Chartered Insurance Institute, England.

Paul replaces Stuart Grayston, who remains on the Board and continues as President of USA Risk Group (Bermuda), Ltd., with responsibility for the group's overall offshore operations.
