

Audit and Tax Services Captive Insurance and Alternative Risk Focus

As one of the nation's largest insurancefocused accounting firms, Johnson Lambert has unparalled technical expertise. Our deep understanding of the insurance industry

enables us to deliver personalized services to our clients and make a positive impact on their organizations.

Insurance Entities We Work With:

- + Single parent or pure + Public entity risk pools captives + Industrial insureds and
- + Special purpose entities
 - other group captives
- + Risk retention groups
- + Sponsored, cell, and series captives
- + Reciprocals

Our audit and assurance services are designed to address the risks insurance entities can experience. We customize our approach for each client based on the factors affecting their organizations. Our service teams are assembled with each organization's unique needs in mind.

Services We Provide:

- + Financial Statement Audits + Regulatory Services
- + Other Assurance Services + Internal Control Reviews
- + Tax Compliance and Consulting

Invested in our clients' success, we communicate relevant information in a timely fashion so that our clients can make informed decisions. Our commitment to exceptional client service is evident in our responsiveness to our clients yearround, beyond the audit and/or tax engagement period.
